TERMS & CONDITIONS

PLEASE READ CAREFULLY AS OUR TERMS AND CONDITIONS ARE DESIGNED TO SAFEGUARD THE HEALTH AND WELL BEING OF YOUR CAT.

Only cats that have a current vaccination certificate against Feline Infectious Enteritis and Upper Respiratory Infections (Cat Flu) can be accepted for boarding. Owners must produce an up-to-date inoculation certificate on arrival.

No cat suffering from, or suspected to be suffering from, any infectious or contagious disease can be accepted. All cats will be examined on arrival, but the proprietor reserves the right to refuse admission to any cat showing signs of ill health pending advice from a Veterinary Surgeon. Owners will appreciate that this is essential in order to safeguard the health of all cats boarded.

Veterinary attendance is assured and any treatment considered advisable will be carried out at the owner's expense. All treatment prescribed prior to boarding can be continued during the cat's stay. Any pre-existing condition that may require further treatment by a Veterinary Surgeon will not be covered by the cattery insurance.

Male cats over the age of seven months, which have not been neutered, will not be accepted for boarding as they could present an infection hazard.

Whilst every care and precaution is taken during boarding, responsibility can only be accepted at the owner's risk.
